1 3-subject notebook - Blue  
Composition book - Blue  
Pocket Folder - Blue  
Sticky notes  
1 ½ inch binder – Blue

To assist with organization, we are asking that both grades purchase all notebooks, binders, pocket folders and composition books in the color assigned to each subject area. Math = Red; Science = Green; Social Studies = White; Language Arts = Blue. *Locker ladders/stacking shelves:* stacking locker shelves seem to work better for organizationally challenged students.

Calculators: Graphing calculators may be purchased from Texas Instruments through our website.
