

READ AT HOME

Did you know...?

- **Parents are the most important teachers for their children.**
- **Reading is the most important subject. If you cannot read you cannot read word problems, science experiments and social studies text.**
- **Reading 20 minutes a day 6 days a week for 1 year is equivalent to 3,000 pages and 104 hours.**
- **When you read 219 hours to your children you are putting the equivalent to 225,000,000 words into their heads.**
- **You get better at reading by reading; the more you read the more you understand.**
- **Reading aloud to children is good role modeling and provides time for listening comprehension which comes before reading comprehension.**
- **Reading to children is entertaining and pleasurable for both the parent and the child.**
